Burlington Has New Fire Station,

Station number five, the latest to be added to the Burlington fire department, is now nearly ready for use, although the apparatus will probably not be installed until the middle of September as the new automobile truck is not expected before that date. The new bruck will be placed in station one and one of the other trucks moved to the new station in the southern end of the city. With the improvements, the old hose house furnishes just about the right space for a fire station. The first floor has been given us to be the day of september and lat day of European their dains to us for examination and allowance.

Dated at the City of Barre, this 10th day of August A. D. 1910. Is the limited by said Court for said creditors to present their claims to us for examination and allowance.
